

MORRIS MELLOW-LUSTRE

Semi-Gloss Eggshell Finish for That Amazingly
WASHABLE Rubbed Effect

Mellow Lustre is so smooth and dries to such a rich silk-like finish that it has wide household acceptance for use in living rooms, libraries, bedrooms, as well as bathrooms and kitchens. It is used extensively on woodwork as well as walls and ceilings where a hand-rubbed effect, semi-gloss finish is desired. Mellow Lustre passes the severest sanitary tests and is recommended for use in hospitals, schools, public institutions, as well as fine homes. Each color in Mellow Lustre has been selected after a careful analysis of correct color harmony, as recommended by leading interior decorators.

MORLUX Quick-Dry ENAMEL

Easy to Apply — Amazing Durability

For furniture, walls, woodwork. In fact, for any surface inside or out, Morlux Q. D. furnishes a pleasant way to make things more useful, attractive and work-saving.

MORLUX Q. D. has lustrous beauty, plus the ability to withstand harsh acids and alkalis. You may wash, scrub and give MORLUX Q. D. Enamel the most severe test, yet its brightness remains everlastingly beautiful.

Try MORLUX and see how simple it is to make your home cheerful and gay with color.

REGENCY VELVET FINISH

Through the use of Regency Velvet Finish White and its Base deep-tone colors, you may have the most modern and sophisticated decoration. Every color is an authentic Regency shade. Each one has been scientifically correlated to the others. Therefore, you may use them in any combination of light or deep colors and have a complete and successful color combination.

In addition to the unusual beauty of Regency Velvet Finish, it possesses unusual durability and is so washable that even iodine, grease, oils, and stains may be easily scrubbed away. Many fine decorators call it "Flat Enamel" because it has the smoothness and durability of enamel, yet dries with a rich sheen flat finish.

MORRIS Wall-Glo Interior Finish

WALL-GLO brushes easily and dries to a hard, high-gloss porcelain-enamel finish. Because of its high hiding power, it covers interior surfaces better than any interior gloss we know of. Wall-Glo is an outstanding product. You'll love the way Wall-Glo washes. You can keep its surface as clean as a dish.

Especially suited to kitchens, bathrooms, hospitals, and institutions where it is subjected to repeated washings. Every Wall-Glo color is newly "styled" to conform to latest demands of "Color Stylists."

MORRIS Syn-Kote Floor Enamel

Quick Drying for Interior or Exterior Use

A perfect floor covering for wear and water resistance. Will stand repeated scrubbing with soap and water. Used on either wood or concrete floors . . . inside or outside. Made from high-grade synthetic resins. SYN-KOTE is equally suitable for walls and woodwork that require repeated cleaning and are subjected to hard wear. In addition to homes, SYN-KOTE is widely used on floors in schools, offices, stores, factories and institutions. SYN-KOTE is truly a "scuff proof" finish and especially recommended for basement floors.

MORRIS Liquid Tile Enamel

"Whiter than White"

The results of exhaustive research and practical applications. Its pure snowy whiteness, impervious tile-like smoothness, brilliancy of gloss and long wearability make it the outstanding white enamel for use in home interiors. Halls, Living Rooms, Dining Rooms, Bedrooms, Kitchens and Bathrooms sparkle when Liquid Tile Enamel is applied.

MORRIS Liquid Tile Enamel resists wear and repeated washing—does not catch dirt. It is amazingly economical with its marvelous brushing and leveling properties. It levels out to a tile-like surface, fine as porcelain which stays absolutely white.

MORRIS SPEED SPAR VARNISH

Dries quickly to a hard mar-proof finish. Resists acid and alcohol stains.

BEFORE YOU PAINT ALWAYS USE
MORRIS PREPKOTE

The clear liquid that acts as sandpaper. Cleans off wax—Prevents chipping because it allows new paint to penetrate and "bond" with old.

PERFECTED FINISH FOR BASEMENT FLOORS

For Lovely Flat Walls Use SEAL-KOTE

the Remarkable ONE-COAT Oil Paint that dries quickly...
beautiful velvet sheen finish...truly washable

In the decoration of homes SEAL-KOTE plays an ever increasing part . . . Its easy ONE-COAT application and its beautiful pastel colors, together with the fact that SEAL-KOTE is easily washable, make it a favorite finish for most rooms.

FOR LIVING ROOMS where figured draperies, furniture coverings, and rugs or carpets are used, plain pastel walls create a natural background. The same may be said of DINING ROOMS, in fact in "any" room where there are ceiling mouldings and cornices, you'll find SEAL-KOTE the ideal finish.

In Bedrooms, SEAL-KOTE colors will harmonize with

chintz hangings, slip covers, chenille bedspreads and the many fine colorful cotton rugs now being used. The light, bright, more delicate colors are most desirable.

SEAL-KOTE offers many outstanding advantages. It can be applied directly over any painted surface, calcimine, casein, bare plaster, rough plaster, plaster walls that have been patched, wall board or wall paper WITHOUT USING A PRIMER OR SEALER. It can be used on raw brick or concrete walls.

SEAL-KOTE should NOT be confused with water

paints or water thinned paints—SEAL-KOTE is a high grade FLAT OIL PAINT.

SEAL-KOTE dries in 2 hours and levels out to a beautiful, washable, velvet sheen finish.

Hotels	Industrial Buildings
Department Stores	Schools
Institutions	Hospitals
Office Buildings	Churches

Turn again and again to SEAL-KOTE as the solution to keeping such buildings in first class paint condition. The fact that SEAL-KOTE will do a fine job in one coat saves much of the cost of labor.

The luxury finish for fine interior wall decoration . . .
